MASTER SANDY FABIAN

My level in Kombatán:
Lakan Lima

My Country:
Switzerland

My instructor/ instructors:
Guro Gianni Di Primio

My Martial Arts background:
My Martial Arts way was started
when I was 14 years old in Aikido.
I am proud by myself that I carved
my own wooden sword.
After Aikido came Karate, Sin Moo
Hapkido, Flying Eagle Hapkido
and then Kombatán.

When I started Kombatán? 1999

Best Kombatán memories:

There are so many fantastic memories.

But there is one thing I remembered is that GGM Ernesto A. Presas Sr.
and his wonderful wife Mercy Presas, save my life in Philippines when I was
very sick at the camp.

And my other memorable moments was when they gave me a
special Nickname "Warrior Girl" because of my hard training and fighting spirit.

My Motto: Never underestimate your opponent

" The impressions left onto his students is why we still honor and love the man who created one of the best and complete martial arts available today. GGM Ernesto A. Presas Sr. was a not only a great fighter, he was an even better human being. His generosity to his his students and to everyone he met, left an impression of a true Grandmaster. World Kombatan Family is wanting all of GGM's students to unite and share our knowledge" . - Grandmaster Shelley Millspaugh Kombatan Arnis, Lakan Siyam

" GGM Ernesto A Presas was a true pioneer of FMA. In the early days when it was often taboo to be able train in different styles of martial arts, GGM was amongst the first to revolutionize the fusion of variopus styles. He also modernized many classical Filipino systems. Kombatan is such a diverse fighting art due to his efforts. GGM often quoted "we are the ones that connect all styles, no matter what style you train. " By propagating Kombatan around the world for so many years, GGM has left a huge worldwide legacy that will never die. WKF is proud & honoured to continue his journey". Pugay & Mahal Kita GGM GM Andy Elliott Australia

"Mabuhay,
The greatest honor for a martial arts master is that masters from other arts want to learn from you. Great Grandmaster Presas was known for this and he was highly respected in all martial arts styles. We all miss the great Grandmaster. Thank you for all the inspiration, teachings and kindness you have given us. Let us cherish the memory of the Great Grandmaster by continuing the work he has begun and by developing our knowledge in his styles to a higher degree. The legend will live through us all now and forever. It is time to start to work again as a big family. I hope all KOMBATAN schools, teachers and students link to our website. This site is the first step to begin to work together as one."
