KOMBATAN WEEKEND IN GRAZ, AUSTRIA May 25th-27th 2018

KOMBATAN WEEKEND IN GRAZ, AUSTRIA May 25th-27th 2018

GM CARLOS PULANCO On 12th and 13th May Grandmaster of **SEMINAR IN BELARUS** Philippine Martial Arts Carlos Pulanco

Philippine Martial Arts Carlos Pulanco held regular seminar in Minsk. It was 4th meet with Master. During 2 days Grandmaster shared with us a huge amount of information and charged us with his energy for several months. There is nothing better, than connect to origin. Carlos Pulanco has 9th Lakan in Kombatan, which he has earned from the founder of Kombatan Grandmaster Ernesto Presas. That means that Gm Carlos is lineal student of founder of style and owns the closest to origin technique and method. His skill, energy, ease and speed bewitch and make us work more and more. What have we learnt this time?

- 1. Doble baston: sinawali, disarming, trapping: control, arm lock, throws
- 2. Solo baston: trapping: control, arm lock, throws, 1 against two sticks
- 3. Defense from Threats of knife and knife attack (offense).
- 4. Hand-to-hand combat.
- 5. Adapting two sticks techniques to one stick, hand-to-hand and knife

As a result two days run very fast. We were extremely tired, but it was pleasant fatigue, because we worked hard and learnt a lot of new, useful and interesting. Thanks to all who supported this event and all attendees. Separate gratitude to Carlos Pulanco, who came once again and shared his invaluable knowledge and experience!Our trainings go on!!
