My rank in Kombatan: Lakan isa
My School: kombatan Tampere

My instructor: Mostly I have
trained with Master Tomi Harell,
presently I train with
Master Tommi Ylirönni.

When I started Kombatan?
2008 after one Summer camp
where there was a teacher
who got me to try Kombatan.

My favorite system from Kombatan?
I like the doble
baston. It teaches hand eye
coordination which can be
implemented to other systems.

Best Kombatan memories:
Foreign trips, especially the
two times I have travelled to
Philippines.

My Motto: In the end,
all of it comes together.

Sr Master Tomi Harell

When i started Kombatan: December 2013

My favorite system In Kombatan: Espada y Daga. It develops both hands and distance control by having a symmetrical weapons.

Best Kombatan memories: The camps and weekends full of training, all new acquaintances. Great instructors. And just the simple fact, that our own gym is so great that despite being tired after a day at work, you still feel awesome to go out and train with these great people.

My motto:

Even a small daily contribution can lead to great results.

MERITA KEVÄTSALO

My rank in kombatan: level 5

FINLAND

My school: Filipino Martial Arts Center, Pori, Finland

My instructor: Sr Master Tomi Harell

When I started Kombatan: 2013

My favorite system In Kombatan: Double stick systems, in which you learn to efficiently react to incoming strikes using both hands.

Best Kombatan memories: Through Kombatan I've got to meet great people around the world. The memories I've got from the summer camps, in which I've met guest instructors from all over the globe. It's really great to learn new techniques from skilled instructors. It has been a real pleasure to find such a hobby with such a team spirit, encouraging atmosphere and skilled teachers. The joy of learning!

My motto: You don't have to be great to start but you have to start to be great.
